This vehicle history report is based on information (<https://www.carfax.ca/vehicle-history-data>) that was reported and available to CARFAX Canada as of August 31, 2023 (or once all the data was collected from our data sources and the report was complete). CARFAX Canada draws on billions of data records from thousands of sources across North America, and we receive new historical data records every day. **There may be other information about this vehicle that has not been reported to CARFAX Canada.** When buying a used vehicle, we always recommend using a CARFAX Canada Vehicle History Report, along with a vehicle inspection and test drive, to make an informed decision.

Recall #: N140113 | REPLACE IGNITION LOCK CYLINDER AND IGNITION KEY Recall Date: 2014 Apr 16

Recall Description

General Motors has decided that a defect which relates to motor vehicle safety exists in all 2005-2010 model year (MY) Chevrolet Cobalt, 2006-2011 MY Chevrolet HHR, 2007-2010 MY Pontiac G5, 2006-2010 MY Pontiac Solstice, 2003-2007 MY Saturn Ion, and 2007-2010 MY Saturn Sky vehicles. Some of these vehicles may have a condition in which the ignition key may be removed when the ignition is not in the "Off" position.

Remedy

Dealers will replace the ignition cylinder, then cut and, if necessary, re-learn two new ignition keys and attach the provided key ring to each key.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact PONTIAC or visit [GM's website](#).

Recall #: N140092 | IGNITION SWITCH REPLACEMENT Recall Date: 2014 Apr 03

Recall Description

General Motors has decided that a defect which relates to motor vehicle safety exists in the following GM Parts and ACDelco Ignition & Start Switch service part number 10392423, and the following Ignition & Start Switch Housing Kits that contain or may contain part number 10392423: GM Parts and ACDelco service part numbers 10392737, 15857948, 15854953, 15896640, and 25846762. GM records indicate these service parts may have been installed during repairs in some 2008-2010 MY Chevrolet Cobalt, 2008-2011 MY Chevrolet HHR, 2008-2010 MY Pontiac Solstice, 2008-2010 MY Pontiac G5, and 2008-2010 MY Saturn Sky vehicles, as well as in some other GM vehicles. The ignition switch

1G2AJ55F987181666

torque performance on vehicles repaired with GM Parts and ACDelco Ignition & Start Switch part number 10392423 or assemblies that contain part number 10392423 may not meet General Motors' specification. If the torque performance is not to specification, the ignition switch may unintentionally move from the "run" position to the "accessory" or "off" position with a corresponding reduction or loss of power. This risk may be increased if the key ring is carrying added weight or the vehicle goes off road or experiences some other jarring event.

Remedy

Dealers are to replace the Ignition switch.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact PONTIAC or visit **GM's website**.

Recall #: N100023 | LOSS OF POWER STEERING ASSIST - REPLACE ELECTRIC POWER STEERING MOTOR Recall Date: 2010 Mar 18

Recall Description

General Motors is recalling certain model year 2005-2010 Chevrolet Cobalt and model year 2007-2010 Pontiac G5 vehicles equipped with electric power steering. The driver may experience a sudden loss of power steering assist that could occur at any time while driving.

Remedy

Dealers will replace the electric power steering motor free of charge.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact PONTIAC or visit **GM's website**.

Stolen Vehicle Check

This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User License Agreements as each may be amended from time to time by CARFAX Canada.
